## OBJECTIVE

Seeking for a higher education in Computer Science(Bsc)

## WORK EXPERIENCE

### Bojark Windsurf Club

July 2022 — September 2022

Windsurf Instructor

I have been windsurfing for nearly 4 years and in July, 2022 I started working as an official windsurf instructor in Bojark Windsurf Club, Bodrum. I achieved some skills such as leadership, time-management and I learned how to earn money, and the value of it. It was a great experience for me.

### Bionluk and Fiverr (Freelance)

March 2022 — Present

Mix&Mastering Specialist

As one of my other interests, I love working with music and doing the Mix&Mastering part of it(Audio Editing). I still work as a freelancer in this topic and earn both experience and money while working for my lessons.

### Bojark Windsurf Club

June 2022 — July 2022

Front End Webdeveloper

Before working as a windsurf instructor in Bojark Windsurf Club, I designed a website for us using HTML, CSS and Javascript. I improved my developer skills and it was a great experience for me.
